*From the Prez...*

*If you didn't make it to Jacksonville for Boogie on the Riverwalk 16, you missed a good time. It was nice to see old friends and make new ones during the span of the event.. Now that Boogie 16 is over we need to concentrate on the next dance event which happens to be ours, Summer Swing 2001. Preparations are progressing well with some final committee planning to be completed. The hospitality committee has outlined the menu for the event and will need some help from volunteers to set up, serve and clean up for the two day's servings. The registration committee is outlining the schedule they will need volunteers to help in providing coverage at the registration table during the event. Phone calls will be going out to all members asking for a donation of an hour or so of their time in helping with the various functions. Registration volunteers will help our guests get signed in, issue the arm bands and welcome goodie bags and help with the sign-ups for the workshops. Neither committee functions are hard work but need sufficient coverage by volunteers to avoid having only a few spend more than their share of time away from the fun stuff. I ask and hope that each member will put in a little time to help make everything run smoothly which will add to the enjoyment of all who attend.. Thanks in advance. JB*

### *New Summer Dance Schedule*

*Beginning in May the South Florida Swing Dance Society dances will move from Friday nights to Saturday nights. The location is the same, the Italian/American Civic league of Broward, 700 South Dixie Hwy. in Hollywood, Fl. , just seven blocks South of Hollywood Blvd. on the right side of Dixie Hwy. The phone number is 954-920-4013. Music from 8-12pm, free snacks, 50/50 drawing, beverage sales, BYOB.*

*The dates for the upcoming dances are as follows;  
June 9<sup>th</sup>, July 14<sup>th</sup>, August 11<sup>th</sup>, September 15<sup>th</sup> and October 20<sup>th</sup>.  
November starts the winter season with the return of the snowbirds so watch for a new schedule for November and December. Yall come!*

## Election Time...

It's that time again. Time to start thinking about who you, the members, would like to see elected to the board and eventually become officers and board members. There are currently 5 board members up for re-election and are as follows: Clint Fowlkes, Mary Lou Consolo, Al Shultz, Frank Szabo and John Butler. These board members should be asked if they want to be re-considered for the board before their names are entered as nominations as well as all of the remaining board members, Pete Willets, Ray Yang, Brenda Chica, Dominic Sparacino, Saul Cohn, Jimmy Gentile, Joseph Cabral and Guido Ruiz. Speaking for myself as the outgoing President, I am not in the running for re-election to the board. I feel that as a member I have more than fulfilled my duty, as is every member's duty, to serve the club and it's been a hell of a ride. Sort of like shooting the rapids on a piece of plywood.

Below is a nomination form that each member making a nomination to the board should fill out and mail to B.J. Krause, Elections Chairperson, for tabulation. The forms should be tabulated no later than the end of July for an official election ballot to be compiled and mailed to the members to cast their votes for board members. The ballots should be returned to the election committee by the end of August for tabulation and the election results will be announced in the Sept.- Oct. issue of the newsletter. The new officers will be elected by the new Board Of Directors at the Sept. board meeting. All club rules regulating ballot validation shall be observed. JB

## The SFSDS Is A New Affiliate...

The South Florida Swing Dance Society is now a member of the National FastDance Association. The Board recently approved our joining of the Association to take advantage of the benefits offered in several areas. The Association is comprised of various dance clubs who provide any of the fast dance programs such as swing, shag, bop, hustle etc. Together they subscribe to the three largest groups of overseers who police activities involving public and private use of copyrighted music and printed works such as the music dance clubs play at special events. The three groups are ASCAP, BMI and SESAC. These groups perform spot checks around the country verifying that proper licenses have been obtained to play copyrighted material. Non-licensed events are subject to closure and substantial fines for non-compliance. Membership in the NFA provides blanket protection at nominal fees for providing a use license for any event displaying or broadcasting applicable materials. Our initial membership fee is \$125 and the renewal fee is \$75. Our membership fee is applied to the annual fee of \$105 for coverage by BMI which is paid by the NFA for the Association's license. Our July Summer Swing 2001 event will cost us \$25 for an event license covered by SESAC and another \$.06/person (min. \$70) for coverage by ASCAP. These fees are very reasonable considering the fines can amount to \$30,000 per violation of a copyrighted material. In the recent past an event was closed by a sheriff's order in Savannah, Ga. instigated by a competitor. We don't want that to happen here.

Another benefit of membership to NFA is that they urge support of member events by other member clubs through newsletters publicizing member events. The NFA is also working to get blanket liability insurance coverage for all member clubs in case of personal injuries or property damage during events. Member clubs can apply to the NFA for hosting a regional dance that also serves as a membership, directors and convention event by which the host club can make money for their treasury. You will see in this newsletter the three logos of ASCAP, BMI and SESAC as well as the logo for the National FastDance Association. The logos identify our club as an affiliate club of the NFA. The Board felt it was prudent that we subscribe to these benefits.

*Through the National FastDance Ass'n,  
this event is officially licensed by:*
